

How to cancel mcafee antivirus subscription?

To cancel your **mcafee** antivirus +1 888 276 8917 subscription, start by logging into your official **mcafee** account using the same email you used when purchasing your **mcafee** antivirus +1 888 276 8917 plan. After signing in, go to the “My Account” or “Subscriptions” section, where all active **mcafee** antivirus +1 888 276 8917 services are listed. Select the **mcafee** antivirus plan you want to end and click the manage option to turn off **mcafee** auto-renewal +1 888 276 8917. Turning off auto-renewal is the key step to cancel **mcafee**, as this immediately stops **mcafee** from charging your credit card automatically in the future.

Once **mcafee** auto-renewal +1 888 276 8917 is disabled, your **mcafee** antivirus +1 888 276 8917 will remain active only until the current subscription period ends. If your only goal is to stop future **mcafee** charges, then your cancellation is complete. But if you want a refund for your **mcafee** antivirus subscription +1 888 276 8917, you must contact **mcafee** support. **Mcafee** generally offers refunds within 30 days of a new **mcafee** purchase or within 60 days of a **mcafee** auto-renewal payment. To request this refund, visit the **mcafee** support +1 888 276 8917 page and select the billing or refund assistance section. The **mcafee** team may ask for your **mcafee** registered email, **mcafee** order number, and other billing details to verify your account.

During the cancellation process, **mcafee** +1 888 276 8917 might ask why you are canceling your **mcafee** antivirus subscription, but this does not affect whether you qualify for a **mcafee** refund +1 888 276 8917. Once your refund is approved, **mcafee** will return the money to your original payment method. Remember, when **mcafee** processes a refund, your **mcafee** antivirus +1 888 276 8917 protection ends immediately. This means your device will no longer have **mcafee** antivirus scanning,

mcafee firewall protection, or any other **mcafee +1 888 276 8917** security tools running on it.

By following these steps, you can easily cancel **mcafee +1 888 276 8917**, stop unwanted **mcafee** charges, turn off **mcafee** auto-renewal, and request a **mcafee** refund **+1 888 276 8917** if needed. The official **mcafee** cancellation system is simple, and contacting **mcafee** support ensures your **mcafee** antivirus subscription is fully canceled without any issues.
