

# How to cancel mcafee antivirus subscription?

To cancel your **mcafee** antivirus subscription +1 888 276 8917, begin by signing into your official **mcafee** account because all **mcafee** subscription settings are managed from there. Once you log in using your registered **mcafee** email +1 888 276 8917, open the “My Account” or “Subscriptions” tab to view your active **mcafee** antivirus plans. Choose the **mcafee** antivirus subscription you want to end and click the manage option to turn off **mcafee** auto-renewal +1 888 276 8917. Disabling auto-renewal is the main step to cancel **mcafee**, as it stops **mcafee** from billing your card for future payments.

After the **mcafee** auto-renewal +1 888 276 8917 is turned off, your **mcafee** antivirus +1 888 276 8917 service will stay active until the end of your current plan period. If your goal is simply to stop future **mcafee** charges, your cancellation is completed. However, if you want a refund for your **mcafee** antivirus subscription +1 888 276 8917, you must reach out to **mcafee** support directly. **Mcafee** usually allows refunds within 30 days of a new **mcafee** antivirus +1 888 276 8917 purchase or within 60 days of a **mcafee** auto-renewal transaction. To request a refund, visit the **mcafee** support +1 888 276 8917 section and choose billing or refund help. The **mcafee** support team may ask for details such as your **mcafee** registered email, your **mcafee** order number, or your billing information to verify your refund eligibility.

During the cancellation process, **mcafee** +1 888 276 8917 might ask why you are ending your **mcafee** antivirus subscription, but your answer will not affect your eligibility. Once **mcafee** approves your refund request, the refunded amount will be returned to your original payment method. Keep in mind that if **mcafee** issues a refund, your **mcafee** antivirus protection ends instantly. This means your device will lose access to

**mcafee** antivirus **+1 888 276 8917** scans, **mcafee** firewall features, and all other **mcafee** security tools.

By following these steps, you can easily cancel **mcafee +1 888 276 8917**, disable unwanted **mcafee** auto-renewal **+1 888 276 8917** charges, and request a **mcafee** refund if necessary. The **mcafee** cancellation process is simple, and contacting **mcafee** support ensures your **mcafee** antivirus subscription is fully canceled without any problems.
